Dear SOUTHSIDE ROTARY
CLUB OF TOLJA.

Let me thank the almighty God who has given me this chance to write this letter to you.

I first than send my greetings through our lord Jesus christ, how are you and how is your life there? Back to me I am some how okay.

The main issue which has forced me to write this letter is that I would like to tell you the real truth that I and my whole family, we are appreciating you for what ever are doing for me especially paying my school fees and other requirements.

The climate here in Uganda is some how very cool with enough rainfall.

Really my performance was some how fair because I scored 23 aggregates in the best 8 subjects and I would like to tell you that I have to improve for the better this term such that I can be promoted to S.4 then to score highly at the end of S.4 i.e UNEB exams.

My discipline here at school even at home is good and I think that's how I can perform highly. Anyway, I would like you to greet me all Rotarians there.

Let me stop here, may God bless you.

Yours faithfully

Karangira Peterson.
